## COMMUNITY MEDIA OF SOUTHCENTRAL PENNSYLVANIA

For over 20 years, this non-profit 501(c)3 telecommunications station has served Adams and York counties and Southcentral Pennsylvania. The focus is on regional public, education and government programming. Founded in 1988 by Ray Gouker as Adams Community Television, the station's mission of community-based programs continues to grow. It now includes internships, history and community public affairs programs, sports and spotlights on local talent and businesses. Broadcast capabilities now include live streaming and online viewing. There is also access to archived programs for viewer convenience.

As a member, you will help to sustain the station, attend and vote at the annual meeting, be eligible for election to the station's Board of Directors, and receive periodic updates on special filming or broadcast events. **Please help to support Community Media's efforts to create awareness of all that our communities have to offer by becoming a member today!**
